A public meeting was held at the Emmanuel Episcopal Church at Delaplane Virginia on November 6, 2002. The purpose of the meeting was to discuss the proposed developments for Sky Meadows State Park as depicted in the Draft Master Plan.

Derral Jones, Planning Bureau Manager at the DCR division of Planning and Recreation Resources and Jess Lowry, Sky Meadows State Park Manager opened the meeting at 7:00pm. Seven people were in attendance.

Mr. Lowry opened the meeting, thanked everyone for attending, described the purpose of the meeting and turned the discussion over to Mr. Jones.

Mr. Jones described the planning process that began in the spring of 2002, with the appointment of a Sky Meadows State Park Master Plan Advisory Committee. Five committee meetings and one preliminary public meeting were held during the planning process.

Using a large map as a reference, the proposed developments, as suggested by the Advisory Committee, were described in considerable detail. There was general discussion about the planned developments. After the discussion, there was consensus that the planned developments, which were presented, were appropriate for the park. Those from the Advisory Committee, who were present, indicated that the plan accurately reflected their recommendations and that they were pleased at the outcome of the process.

After a question and answer period, the meeting was concluded. Mr. Lowry thanked everyone for his or her participation in the planning process and for attending the public meeting.
